

# PERU

# ANDEAN AWAKENING

**Dr. Joan Borysenko** has been called a rare jewel: respected scientist, gifted psychologist, and unabashed mystic. As a world-renowned expert in the mind/body connection, Joan is a credible bridge between faith and reason.

**Gordon Dveirin** is an organization development consultant with a passion for imaging a conscious future that works for us all. His wealth of knowledge combined with an amazing capacity to evoke images through language, adds tremendous depth to his presence.

**Lee McCormick** is the founder and co-owner of The Ranch Recovery Center in Tennessee, where a holistic and spiritual approach to addiction is the focus. He founded Spirit Recovery, Inc., which produces recovery conferences, sacred journeys, workshops, and other recovery and personal growth experiences.

**Jorge Luis Delgado**, author of *Andean Awakening*, is a Peruvian Shaman and great source of the ancient Inca teachings and traditions. By the end of this journey you will consider Jorge family.

## March 3-12, 2012

Ancient and mystical, this journey takes you deep into the Andes, and deep into the experience of Incan secrets. Our leaders, including a Peruvian shaman, will guide you on a spellbinding adventure that will expand your awareness and open your "knowing" about the truth of who you really are, and your connection to all humanity. Join us on this profound journey into Peru, and into the majesty of your Self.

**Cost \$2800** double occupancy  
Add \$340 - single supplement.  
*Air fare to Lima and Lima to Cusco not included.*
