

NOVEMBER 8-13 JOIN LEE MCCORMICK FOR A MOUNT SHASTA GATHERING!

WITH ELDERS FROM THE NORTH & SOUTH

During this Northern California event, Andean Elders from the Lake Titicaca area, Q'ero Elders and Ayahuasquero Elders from the Amazon will take part in this event and will share with us their knowledge relating to these New Times.

We will have ceremonies of Fire, Water, Earth and Wind, and others such as Angelical Ceremonies of Conscious of Light.

In addition private sessions will be available with the Elders for cleansing ceremonies, flowering ceremonies, Coca readings and Initiations.

We have been attracted by Mount Shasta because its legends and stories are very similar to those found in the Andes. Some of our similarities are:

- Appearances of Masters of Light
- UFO appearances
- Alien's populations
- The Ley lines and the main Fields of Power of the Incas in conjunction with the great field of power of Mount Shasta

As we meet with the Elders of the North we will be able to expand the energy of this powerful ley line that joins the Fields of Power of the North and the South. Doing so helps us enter into a New Cycle of Transformation of the Earth that occurs so that each one of us in body mind spirit and soul can evolve.

As we come together we will be making the collective statement that the time to expand our consciousness is now.
